

## COVID-19 Safety Notice

The safety and health of our visitors and employees is important to us.

Please support the mutual protection on site by implementing the following instructions:

### Physical presence

Please stay away from the event if

- you feel ill or have symptoms that could be associated with a Covid-19 infection or
- you come/came into direct contact with Covid-19-infected person(s)

### Mouth and nose protection (FFP-2 mask)

Mask-wearing is no longer mandatory while visiting our events or offices. However, please do feel free to decide on your own whether you want to wear a mouth and nose protection or FFP2-mask.

### Hand hygiene

Please disinfect your hands by using the dispenser provided when entering the site.

Please refrain from shaking hands and hugging one another or the like when greeting and saying goodbye, but also during the entire event.

### Maintain a distance

Please maintain a mutual, currently valid minimum distance between you and everyone else during the entire event.

Please arrive at the venue 15 minutes before the start of the event. In this way, you help with the organization of admission in such a way that the minimum distance is not jeopardised.

*Thank you very much for your support!*
