

Covid-19 Safety Notice

The safety and health of our visitors and employees is important to us. Please support the mutual protection on site by implementing the following instructions:

- Please stay away from the event if you **feel ill or have symptoms** that could be associated with a Covid-19 infection.
- Please always remember to bring your **mouth and nose protection** with you and always wear it, also in areas where the minimum distance of one metre cannot be maintained with certainty (e.g. entrance, toilets, bar areas, etc.).
- Please **disinfect** your hands by using the dispenser provided when entering the site.
- Please maintain a mutual **minimum distance** of one metre between you and everyone else during the entire event.
- Please refrain from **shaking hands and hugging one other** or the like when greeting and saying goodbye, but also during the entire event.
- There will be one seat provided for each visitor - please wear your mouth and nose protection inside the building until you reach your **assigned seat**.
- Please arrive at the venue **a little early**. In this way you will help to organise the admission so that the minimum distance is not jeopardised.

Thank you very much for your support!
